

# The Kangen Water™ Machines

## The Starter Unit

**\$1480**

The Leveluk-R is one of Enagic's "starter" models because it is affordable for families on almost any budget. You can start enjoying the benefits of drinking alkaline Kangen Water® with the Leveluk-R.

## The Energy Saver

**\$2380**

The JR11 has three solid electrode plates which reduces the energy consumption. Due to the solid platinum-coated titanium plates, this unit can still produce the strong acid and strong Kangen waters.

## The Flag Ship

**\$3980**

The SD501 is the finest machine in its class, with the highest quality built-in electrolysis chamber on the market. This Kangen Water® filtration machine generates a continuous stream of 5 types of water for countless household needs. You can easily operate the SD501 thanks to a large LCD panel and clear voice prompts.

## The Platinum

**\$4280**

The new LeveLuk SD501 PLATINUM features a revamped modern design geared to match today's more stylish kitchens. Same power and performance as the SD501 in an all new package! The Multi-Language SD501 Platinum expertly "speaks" in 5 languages

## The Under The Counter

**\$4980**

Enjoy the quality and power of the SD501 right at your kitchen sink - without sacrificing valuable counter space! Simple to operate with the fully featured compact LCD wall-mounted control panel!

## The Touch Screen

**\$4980**

The Kangen® 8 is Enagic®'s most powerful antioxidant machine - featuring 8 platinum-dipped titanium plates for improved water ionization and increased antioxidant production potential. Enjoy this Kangen Water® machine in virtually any country, thanks to its worldwide multi-voltage power supply.

## The Power House

**\$5980**

The Super501 is the highest quality water ionizer for heavy home use, featuring a built-in electrolysis enhancer tank and 7 and 5 electrode plates. If you need safe, clean alkaline water to hydrate your growing family or business, the Super501 is the perfect solution!

## The Shower Unit

**\$2390**

The ANESPA removes chlorine from your shower and bath water. Its dual cartridge system contains therapeutic ingredients that have a relaxing hot spring effect. The water is broken down into smaller clusters which makes it easier for your body to absorb the healthy and clean ANESPA water.
